E-Payment Center

Offering you an electronic tax payment option

What are the benefits?

- > You have the freedom to select your payment date.
- > A digital time stamp is evidence that payment was made on time. (1040 payment deadline is April 17, 2018; visit www.irs.gov for additional deadlines.)
- > You get quick confirmation of payment.
- > It takes less than three minutes to process a transaction from start to finish.
- > There is no need to mail a check or payment voucher to the IRS.
- > You can set up recurring payments for installment agreements.
- > You can set up automatic e-mail reminders for upcoming estimated tax payments.
- > State tax payment options are also available, with more to come!

How do I know it's secure?

- > Extensive audits and testing were performed to secure the IRS contract.
- > Only withdrawals authorized by you are made; no other funds can legally be withdrawn.
- > You receive a confirmation number at the end of transaction.
- > You receive electronic confirmation when the card transaction is authorized.
- > The tax payment is listed on your bank statement as proof of payment.
- > Your bank account information is safeguarded, along with other tax return information.
